\* Under the EurekAlert! subscription policy, an institution is defined as one entity supported by its own public relations function. An institution representing multiple organizations may require multiple subscriptions. University-affiliated medical institutions that are supported by their own public relations functions must subscribe individually. Journals are handled on a case-by-case basis.

## EurekAlert! Subscriber Benefits

- Unlimited posting of eligible<sup>1</sup> press releases on EurekAlert! – press releases will appear on both the EurekAlert! Web site and in customized e-mail alerts sent to registered reporters
- Access to a secure area for posting sensitive information exclusively for journalists, such as embargoed news about upcoming reports in peer-reviewed journals<sup>2</sup>
- Automatic archiving of all news releases in an easily retrievable system
- Audit reports indicating the number of viewings each of your news releases receives
- Links to your institution's home page and research publications
- Posting of up to 100 eligible experts from your institution to EurekAlert!'s Expert's Database
- Unlimited posting of eligible meetings, press conferences, and events on EurekAlert!'s Calendar
- Posting of images with your press releases and into EurekAlert!'s Multimedia Gallery
- Access to EurekAlert!'s Journal Directory, which features embargo policies, publication schedules, and chief contacts for more than 200 scientific journals

## EurekAlert! Chinese Subscriber Benefits

- Distribution of your eligible<sup>1</sup> embargoed and breaking news releases in Chinese, through postings on EurekAlert! Chinese and inclusion in daily e-mail alerts to reporters
- Simultaneous posting of any English-language version of your Chinese release on EurekAlert! Chinese
- Access to a secure area for posting sensitive information exclusively for journalists, such as embargoed news about upcoming reports in peer-reviewed journals<sup>2</sup>
- Automatic archiving of all news releases in an easily retrievable system
- Audit reports indicating the number of viewings each of your news releases receive
- Links to your institution's home page and research publications
- Posting of images with your press releases and into EurekAlert! Chinese's Multimedia Gallery
- Unlimited posting of eligible meetings, press conferences, and events within EurekAlert! Chinese

<sup>1</sup>Material eligible for posting to EurekAlert! includes the following: research results published in peer-reviewed journals or reported at scientific meetings; science policy news; information about substantive scientific, medical, or technological research; news relating to the business or economics of science, and announcements about scientific press conferences and meetings, grants, achievement awards, and newly published books.

EurekAlert! does not accept submissions concerning faculty appointments or administrative reports. AAAS has final authority over EurekAlert! content and screens all submissions for suitability. AAAS does not edit material posted to the system. Individual providers are responsible for the material they submit.

<sup>2</sup>EurekAlert! will take reasonable steps to maintain the security of this area and to make embargoed materials available only to reporters who have registered with EurekAlert! for access to such materials, but will not be responsible for breaches of such security or embargoes by reporters or others. Should EurekAlert! become aware of any actions that compromise the site's security or editorial integrity, EurekAlert! reserves the right to revoke posting privileges and/or access to the site and retain all fees paid in exchange for use of the site.

*\*\*Your EurekAlert! Chinese news releases must be submitted in Chinese. If you are interested in having your releases translated into Chinese, please contact [business@eurekalert.org](mailto:business@eurekalert.org) for more information.*

This offer includes 2008 rates, which are subject to change.

Submission of this form implies agreement with EurekAlert!'s subscription Terms and Conditions:
